Re: Jones v. Enterprise Holdings, Inc., et al., Case No. 2:23-cv-920

Discovery Deadlines & Protective Order

Dear Mr. McIntyre,

I have received your letter dated May 3rd, 2024 regarding Defendant EAN Holdings, LLC's responses to my discovery requests and the revised protective order. After a brief review of the responses and the revised protective order, I cannot sign the protective order as it is heavily modified from its original form as it was provided by the Court. Also Defendants have missed multiple deadlines in this case. These issues will require the Court's intervention to be resolved.

Sincerely,

Tevin Jones
